

# Integrated Systems

The Quality Conscious Trainers !

**VANI SUKUMAR**

**FOUNDER / DIRECTOR**

# VISION

- To establish a Business Model which will work towards building and sustaining India's Social Capital
- To integrate all systems, men, women and children of all castes, creeds and faiths to contribute to a world of peace by proactive participation with a vision of equality
- To start the Best Workshop that will make customized equipment's/adaptations for people of all age groups with special needs

# INTEGRATED SYSTEMS

is a Company that cares for you!

- This Company works for INCLUSION !
- Starting in a small way, the Company now enjoys a huge network of clients and is proud of their quality in the services
- We have **INTEGRATED MANY PEOPLE** into the Main Stream with our dedicated services including those who have dropped out with **MENTAL HEALTH ISSUES** as well as those with **SPECIAL NEEDS**

# OUR VALUES

- To promote **Emotional Health** through Self Development and Understanding
- To find the **core strength** of each individual that we meet
- To remain focused in our domain and scope of work !
- To Promote **Self Development** through Positive internal changes

# OUR PURPOSE IN SERVICE

Our **Goal** In Our Services, Whether With Corporate, Colleges Or Schools, Is To Integrate Existing Systems

By this , we Attain Much More Peace In Social Groups And Workplace , And Tolerance In Working With Marginalized Groups !
